Empowered with the knowledge and unlimited expertise in the financial space we cater holistically within the framework of financial and legal wellness. Our business has professionals with the capacity to provide financial solutions and unique programmes to assist our clients.

About Us

Continued..

- At FCC, we have a team of qualified and registered financial planners, legal advisors to cater to the specific needs of our clients. It is our belief that by providing tailor-made financial health programmes to our clients, we will not only achieve the desired outcome, we will provide affordable and accessible benefits that cover all tiers of our client's requirements. We believe that excellent service with specialized knowledge in our field is the key to establishing a happy and successful relationship with our clients.

Our vision

- To provide holistic financial solutions and financial literacy remedial programmes designed for both corporates and individuals.

Our objectives

Our approach

- Providing financial remedial solutions to secure financial well-being
- Empower consumers with financial education to create self sufficiency among individuals and families
- Focus on long term behavioural change for wealth creation
- Using advanced technology to channel and circulate our financial literacy content

Value offering

Solutions	Interventions	Medium
Financial education	Improve Financial literacy Managing credit Health Tax, Investment and Estate Planning	Workshops Interactive web portal Hosting of events and seminars
End to End – Financial wellness support	Financial guidance and counselling Custom debt management programmes Credit behaviour monitoring	Interaction with our professionals Providing consumers with reports and reviews on their credit profile

Our Mandate

To create financial health solutions in terms of South African financial legislations and regulations.
To empower consumers by educating them with Financial literacy. We strive on targeting all LSM's within the South African spectrums. Our financial health solutions are there designed to cater to all LSM's within the South African spectrum. Our financial literacy programmes is the confluence of credit and debt management and the knowledge that is necessary to make financially responsible decisions -decisions that are integral to our everyday lives. It is important to us that consumers gain the ability to use knowledge and skills gained through our financial remedial programmes to manage financial resources effectively for a lifetime of financial well-being.

The creation of plans that are affordable, sustainable and achievable. These are the key pillars to our approach for successful financial health programmes.

To focus on improving the financial quality of life for all South Africans by assisting in healthy cost-effective financial health programmes.

To apply skills in understanding the specific financial needs of our clients and designing suitable programmes to cater for both foreseeable and unforeseeable events that may arise.

Our Team

FCC has a team of highly-trained, qualified and experienced debt counsellors, legal advisors and financial planners that specialize in providing clients with unique financial health solutions which are aimed at addressing any financial concerns. Our belief is strongly embedded in the fact that all problems have multiple solutions but by applying the best solutions will result in the best outcome. Our panel of in house experts are capable to analyze all aspects of our client's financial imbalance and provide solutions that are both holistic and specific to meet the precise expectations and need. In today's volatile global and domestic financial climate, it is important for all individuals and companies to have a sound and stable financial health nature. Our team constantly strive on evolving our approach to cater to the ever-changing financial market.
